Luz Baldera was always nice and very patient. She took the time to make sure my brother Leo and I understood the process completely. Utopia Investment Company is a small family company. We really appreciated her excellent service. We will definitely recommend Luz at Inspired Funding and will reach out to her when we need more trucks or trailers for our business.

I purchased my first truck thanks to Inspired Funding LLC. I never thought I could get it done since I have low credit and i just started my own company. Inspired made it happen! I had the nicest agent....Thanks Glenn, you are the best!

José and his team are highly trained professionals. They got me into the truck I needed with a very smooth process. They saved me thousands of dollars on the insurance and interest. Love my payment, and my new truck :) Thank you guys!

Extremely happy with Inspired Funding. Peter Schneider was most helpful in getting our financing, and very professional. After other relationships with less responsive lenders, I will only work with this company.

My experience with inspired has been unregrettable. I was in need of a van to get my job easier. I am an electrician and was looking to upgraded my vehicle so that I could fit my tools. Inspired was recommended to me by a friend, and all I can say is thank you. I got my van with the monthly payment I wanted and was able to get the loan very fast and easy. Thank you milly and your team for making it possible.

I had a previous negative experience with another lender, however, working with inspired funding made me realized that finding the right company that knows what they are doing its the perfect way to get an smooth transaction. Communication was always there. I received an email package where it says all I needed to get my loan closed. I followed the instructions and my loan was done within a day. Thank you Jose
